DEAR PARTICIPANTS RESPONSIBLE FOR THE PRESENTATION OF ACTIVITIES:

General guidelines:

 - Access the platform 30 minutes before the scheduled time. This time will be used for final adjustments and guidelines by the team of monitors and coordinators of each session.
- We recommend using laptops or computers instead of smartphones.
- Use a secure internet connection, preferably using a cable connection. In case of using WIFI connection, respect the usual recommendations regarding distance and obstacles between your device and your WIFI router.
- In case of problems, don't hesitate to ask the monitors for help in each session.
- PAPERS presentations will have an average duration of 10 to 20 minutes for each work, depending on the number of works in each room.
- The presentations of SYMPOSIUMS and ROUND TABLES will have a time previously established by each session coordinator.
- presentations will be in english.
obs: remembering that to access the platform the presenter will have to have his/her registration paid for the congress.
